Day-by-day programme

Day 1 Departure by ferry from the port of Korsakov

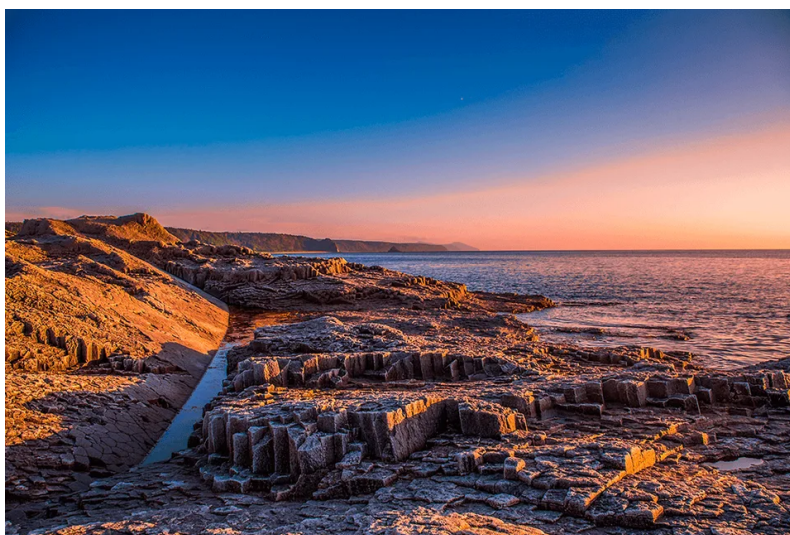

Boarding the ferry Pavel Leonov or Admiral Nevelskoy at the port of Korsakov. Travel time to Kunashir Island is about 21 hours.

Important: Meals on board are paid separately. Stock up on drinking water and snacks. Card payments may hang — keep some cash on hand.

Day 2 Arrival on Kunashir. Mendeleev Volcano

Arrival by sea on Kunashir Island (Yuzhno-Kurilsk). Excursion to the fumarole field of Mendeleev Volcano. A walk along the coast.

Attention: In the area of the fumarole field, observe safety precautions and follow the guide's instructions. The route is of moderate difficulty: 17 km by vehicle, 3 km on foot. Duration 6-7 hours.

Day 3 Golovnin caldera. Boiling Lake

The Golovnin caldera is a unique natural feature with Boiling Lake and Hot Lake. The total walking distance is about 8 km (round trip).

Attention: In the fumarole zone at Boiling Lake, walk in single file behind the guide. Bathing and mud baths are permitted only at designated spots.

Day 4 Sea trip to Rogachev Island

A sea trip to Rogachev Island — a picturesque place with seabird colonies and unique rock formations.

We recommend: a swimsuit, motion sickness tablets, waterproof clothing and footwear, sunscreen.

Day 5 Cape Stolbchaty. Departure by ferry

The Stolbovskaya ecological trail, healing thermal mud springs. Cape Stolbchaty — the famous basalt columns. Departure by ferry to Sakhalin.

Route: by vehicle to the trail, then 3 km on foot downhill. Reaching the shore, 30 minutes along the coastline, crossing the cliffs along the trail to Cape Stolbchaty.
