Day-by-day programme

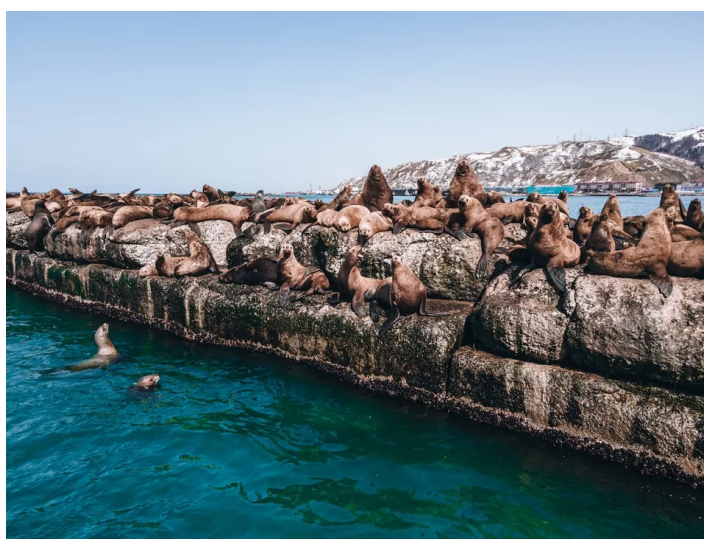

Day 1 Arrival. Sightseeing tour of Yuzhno-Sakhalinsk

Meet at the airport, transfer to the hotel. A sightseeing tour of Yuzhno-Sakhalinsk — a city shaped by the influence of different cultures. The principal landmarks of the regional capital.

Day 2 Jeep tour: Cape Ptichy and Cape Velikan

A jeep tour along the south-eastern coast of Sakhalin. The stone sculptures of Cape Ptichy — a nesting site for seabirds. The giant rock arches and grottoes of Cape Velikan — among the most photogenic sites on the island.

We recommend: comfortable trekking footwear, rubber water shoes, insect repellent, swimwear.

Day 3 Steller sea lions and Sakhalin's sea gateway

A trip to the south-western coast to the port city of Nevelsk. A walk along the seafront and a sea outing to the Steller sea lion haul-out — you will see these inquisitive marine creatures from the closest possible distance. Onward to Kholmsk, Sakhalin's principal sea gateway.

We recommend: a windproof jacket with a hood, fleece and thermal underwear, scarf or snood, motion-sickness remedy, identification document.

Day 4 Aniva Lighthouse and oysters in Busse Lagoon

An unforgettable sea voyage to the abandoned Japanese Aniva Lighthouse. The highlight of the day is a gastronomic tour to Busse Lagoon with a tasting of the freshest oysters and Sakhalin cuisine.

On the route: a life jacket is mandatory while on board. Bring a rain jacket, hat and gloves. Oysters pair well with dry white wine or prosecco — feel free to bring some along.

Day 5 End of the programme. Departure

Hotel check-out, transfer to the airport. Free time for buying Sakhalin souvenirs.
