Day-by-day programme

Day 1 Arrival. Sightseeing tour of Yuzhno-Sakhalinsk

Arrival on Sakhalin Island. Transfer from the airport and a sightseeing tour of the island's capital: Victory Square, the Local History Museum housed in the former Japanese Governor's building, and the observation deck on Mount Bolshevik with panoramic views of the city and the Susunay Valley. Hotel check-in from 14:00 (early check-in available with a 50% per room/night surcharge). Free time to rest after the flight.

Day 2 Tikhaya Bay and the Sea of Okhotsk coast

Departure for the Sea of Okhotsk coast. Visit to Tikhaya Bay — one of Sakhalin's most picturesque locations, with striking rock formations and sweeping sea views. Along the way, a stop at the Japanese Torii gates and a stroll along the amber coast.

Recommendations: comfortable trainers or trekking boots, a windproof jacket and insect repellent. If you wish — swimwear and a towel.

Day 3 Aniva Lighthouse, boat trip, Busse Lagoon

The highlight of the tour — a boat trip to the legendary Aniva Lighthouse at Sakhalin's southern tip. Built by the Japanese in 1939, the lighthouse stands on a rock in the middle of the strait and is one of the island's iconic symbols. Afterwards — lunch with fresh oysters at Busse Lagoon.

PLEASE NOTE! The boat trip is weather-dependent. In the event of a storm, an alternative excursion will be offered. A life jacket is mandatory on board.

Recommendations: warm clothing, a raincoat, a hat and gloves. Dry white wine pairs beautifully with oysters — feel free to bring some along.

Day 4 Free time. Transfer to the airport

Free time to explore Yuzhno-Sakhalinsk, visit souvenir shops or take optional excursions (subject to extra payment). Transfer to the airport.

PLEASE NOTE! Room check-out by 12:00 (late check-out available with a 50% per room/night surcharge).
